

W. WA. Medical Services Communications Monthly Training Meeting Announcement

Please join us on ZOOM for the monthly training meeting.

Please try to connect close to 08:45 so we can start promptly at 09:00. See the next page for instructions.

Our **June 19** meeting will be held virtually on ZOOM, starting at **0900**. If you have technical difficulties, try the phone number to get an audio connection.

Our discussion this month will be:

Forensic Science and Its Relationship to Mass Disasters

Ray Kusumi will present our 2021 general interest topic, as is traditionally done during our June meeting. Ray is a forensics professional and will share insights on the field and even how it relates to disasters.

If time permits, Ray will also present: **Kent ShoWare Mass Vaccination Site – Clinical Logistics**. This is based on his experience in that role at that site.

Other Business

Announcements, etc. including:

- Committee updates
- NWHRN exercise review
 - Northwest Healthcare Response Network is hosting an exercise June 17th from 13:00 to 15:00. Participating facilities will be exercising their emergency communications plan, so we should participate as much as we can.
