

## W. WA. Medical Services Communications Monthly Training Meeting Announcement

**Please join us on ZOOM for the monthly virtual training meeting.**  
See the next page for instructions.

Our **March 20** meeting will be held virtually on ZOOM, starting at **0900**. If you have technical difficulties, try the phone number to get an audio connection.

Our presentation this month will be:

### **Introduction to the Hospital and Medical Environment**

This presentation will be done by Hal Ungerleider. Hal is the Emergency Preparedness Manager at UW Medicine.

This will be an overview of the hospital environment, hierarchy, general staffing structure, etc. Hal will clarify the differences between hospital systems and stand-alone facilities and discuss how NWHRN coordinates emergency response and collaboration. He will also discuss who we would report to when we show up for an exercise or an event and related topics.

This session is part of the standard MST training so after attending it be sure to record that you did so on your Member Training & Activity Record.

### **Other Business**

Before the presentation we will do introductions, including some new members joining us or joining us again. After the exercise we'll have announcements, project statuses, and anything for the good of the order.
