**Driving instructions are on the back.  
Talk-in is 146.42**

Learn how to administer simple medical care that can stop traumatic bleeding and save lives. Note that training is limited to those who have signed up: <https://www.signupgenius.com/go/10c0d44aea622a2f49-stop>

Participants will receive a certification card on completion of the course.

Also, Carol will do a debrief of the May 5th Hack Attack exercise—come for that, even if not signed up for class!

### Driving Instructions:

**Highline Medical Center, 16251 Sylvester Rd. SW, Burien, WA.**

- From I-5, take Burien/SeaTac Airport Exit onto Highway 518.
- As freeway ends, watch for signs to 509 South/Des Moines. Turn left onto 509.
- Take first exit, S. 160th Street. Turn right onto 160th. Cross First Avenue S (second traffic signal) through flashing light to Sylvester Road SW (third traffic signal).
- Turn left onto Sylvester (middle school on left). Hospital is on the right.
- Take the second right into driveway and then right again before the hospital building to the Cedar entrance.
- Parking is available in the **Cedar** parking garage on the right.
- Look for **Somers Auditorium** inside the Cedar entrance.
