Welcome to all our new (and old) Members!

Join us for a review and update of regulations and procedures.

We'll discuss how the MST is activated and deployed, the rules around Emergency Workers, etc.

We will do a refresher on the regulations around Patient Confidentiality—HIPAA, and how it concerns radio operators.

All new members and those wanting a refresher are encouraged to attend our New Member Orientation, reviewing who the MST is, what we do, and why.

Hope to see you there!
